

Luyanda Mncube

JUNIOR DATA ENGINEER

About Me

Inquisitive, hard-working and a creative at heart. I love to learn and always find myself sharing everything I learn about technology with people around me. People come first in my life and I am not afraid of a challenge or shouldering responsibility. All links to my projects can be found on my personal [site](#).

Certification

Certified SAFe® 4 Agilist

Microsoft Certified Professional (MCSA): SQL 2016 Database Development

Work Experience

2019 | Digital Intern, Britehouse Graduate Program

I worked as a SCRUM/Agile Product Owner (within a Scaled Agile Framework) and was charged with overseeing and automating the onboarding process for HR.

2020 | Junior Data Engineer, Britehouse

Currently I work developing data pipelines, managing tables and data sets and managing existing data reporting solutions
